Dear Dick:

Attached is your check for the work you did on the three hurricanes that hit our facility in Winter Haven. As always, you did a great job and I appreciate Keith's hard work and professionalism. It was a real mess for a couple of weeks. In the end, once we settled, it has been very beneficial.

These types of disasters are never something you want to experience, but it's good to know that in the end that we have been compensated for all we had to go through. We have you to thank for that.

Thanks again for all your help.

Sincerely,
